

Greetings,

This year the City of Grovetown will host our 2nd annual Grovetown Farmer's Markets on the 2nd Saturday of each month, starting in June and will go through the month of September, from 9am until 1pm at Goodale Park. This annual event is hosted by the City of Grovetown to promote community spirit and help provide a memorable experience for the citizens and families of Grovetown. In the past, we have had homegrown fresh fruits and vegetables, canned jellies, homemade baked goods, homemade soaps and candles, unique arts and crafts designed by some very creative, and talented people, and so much more! We also offer fun for the children while families are attending the Market, so that everyone can have a rewarding experience.

We are very excited about this year's Grovetown Farmer's Market because we are hoping this will be our biggest turnout yet! This year we hope to have a bigger participation of different vendors, more advertisement, and activities for the children as we celebrate our 2nd year doing this event, but this will not be possible without the help of local businesses, like you!

We are looking to local businesses for some support in making the 2nd annual Grovetown Farmer's Markets the best ones yet! We are seeking sponsorships to help with some of the expenses related to hosting these events, whether it is through monetary or in-kind donations. This year our sponsorships include ads on our event banners/flyers, mentions at the event as well as a vendor spot at the Market. We will use any donations to help with funding for advertising, any social media, signage, and we would like to add entertainment, and continue to offer the bounce houses for the children to have fun while families attend the Farmer's market.

If you would like to sponsor the 2nd annual Grovetown Farmer's Markets or just place an ad on one of our banners/flyers or become a vendor, please see the attached sheets for additional information. Once you have chosen what works best for your business, please fill out the form(s) and send to dsouth@cityofgrovetown.com or to Liberty Park at 1040 Newmantown Road, Grovetown, GA 30813. If you have any questions, you can contact Donna South at 706-860-7691 or stop in to see her at Liberty Park Community Center.

Thank you so much for your time and consideration!
