Provide a description of the nature, extent and location of any work proposed to be done, along with three (3) sets of satisfactory plans as attachments showing in detail the location of the proposed facility or operations as described in the Permit Application. Plans shall meet all requirements outlined in Chapter 16 of City of Grovetown’s Code of Ordinances, “Public Right-of-Way Regulations.”

When submitting the permit application please note that you will also be required to submit the following:

- A. An application fee of **\$400**;
- B. Indemnity bond or other acceptable security in the amount of **\$10,000** to pay any damages to any part of the city road system or other city property or to any city employee or member of the public caused by activity or work of the utility performed under authority of the permit issued;
- C. A copy of the registrant’s certificate of authority (or other acceptable evidence of authority to operate) from the Georgia Public Service Commission and/or the FCC and any other similar approvals, permits, or agreements; and
- D. A copy of the service agreement, if applicable or other legal instrument that authorizes the utility to use or occupy the right-of-way for the purpose described in the application.

THIS PERMIT WILL AUTOMATICALLY EXPIRE IF WORK OR CONSTRUCTION AUTHORIZED IS NOT COMMENCED WITHIN 6 MONTHS OF THE DATE OF ISSUANCE.

I hereby certify that I have read and examined this application and know the same to be true and correct. I understand that the granting of a permit does not waive the provisions of any other state or local law regulating construction or the performance of construction. I agree to contact the City to schedule all inspections required by Columbia County and/or the City of Grovetown.
